Dear

Pierangeli Group, Inc. ("PGI") DBA Strybuc Industries (SBI), is pleased to announce our Customized Catalog Program ("Program"). We have developed this marketing concept in an effort to create increased sales of window and door replacement parts for our customers. Strybuc Industries is offering to print a generic catalog, consisting of our most popular items, with your company name, address, phone and fax numbers, including e-mail and web address.

There will be no reference to Pierangeli Group, Inc. or Strybuc Industries other than copyright designation, PGI 10/18 and copyright information listed under Terms and Conditions.

The purpose of this letter is to set forth our understanding regarding the Program.

This catalog will let your customers know that you have a wide array of parts at your disposal. It will also improve identification and communication since most of our drawings are provided with dimensions.

Each of our customers who have participated in this program has experienced a significant increase in sales.

As you know, this catalog represents a substantial investment by Strybuc Industries and in return for your use of our copyrighted pictures and drawings and your participation in the Program, we need to be assured that Strybuc Industries will be your primary source for all the products listed in the customized catalog.

Of course, we understand that you must be competitively priced in order to help you maintain your position in the marketplace. If in specific situations you believe that our prices are not competitive, please give us an opportunity to revise our prices, assuming we're bidding against the same quality and quantity per item.

Strybuc Industries will review its sales to you under the Program on a quarterly and annual basis. If we determine that Strybuc Industries is not your primary source for window and door replacement parts, we reserve the right to terminate your participation in the Program on ten (10) days notice.

Pierangeli Group, Inc. authorizes you to use its copyrighted pictures (on your promotional material) for purposes of soliciting sales. You may not reproduce our copyrighted catalog in any manner, including uploading this catalog to your company web site, without expressed written consent from an official of PGI.

Either you or Strybuc Industries may terminate your participation in the Program on thirty (30) days notice to the other.

There are many benefits that go along with the Program. Besides generating more sales for your company by showing your customers that you have a complete product line of window and door replacement hardware, we have developed a way for you to utilize our complete inventory as if it were in your back room.

By utilizing our “Blind Drop Ship” Program, you save time and money. We’ll ship your order directly to your customer, without any reference to Strybuc Industries. The material is shipped in generic bags and cartons along with a generic pick/pack slip, referencing the part numbers that appear in **your** catalog. This is a proven way to increase profits by eliminating extra delivery and handling costs.

We also offer SBI Express for those customers who need their parts in a hurry. You can choose any of the SBI Express delivery services, such as: Next Day by 10:00 a.m. – to get your package there on time, when you need it – Guaranteed!

These are just some of the benefits of being a Strybuc customer – quality service and quality products at competitive prices.

Our fully trained Account Managers are more than willing to assist you in developing sales promotions, help you identify products and answer any technical questions relative to our products.

We look forward to working with you and wish you great success with your Strybuc Customized Catalog.

Please indicate your acceptance of this understanding regarding your participation in the Program by signing a copy of the letter and return to me.

Thank you for your interest in Strybuc Industries.

Best regards,

Paul J. Pierangeli
Vice President of Sales & Marketing
